Happy Holidays, Members,

Earlier in November, several of your members met with other components at the 2011 MDA House of Delegates, another avenue of organized dentistry where issues of our profession are addressed. My gratitude to those who attended: Dr. Dan Kessler, Dr. Cheryl Haley, Dr. Jody Vance, Dr. Jim Stewart, Dr. Misty Shelton, Dr. Nate Bauer, Drs. Sarah and Darren Mahaffey, Dr. Greg Tellatin and Dr. Houston Ker. Dr. Jim Nail also attended briefly, as he gave a presentation for his tax credit proposal. Please congratulate Dr. Jim Stewart for being this year’s “MDA Dentist of the Year” and Drs. Darren and Sarah Mahaffey for their coordination of the first Missouri Mission of Mercy. I was proud to attend the reception which recognized three Greater Springfield Dental Society members. More thanks goes out to Dr. Sarah Mahaffey for her years of service as the New Dentist Representative to the MDA Board of Trustees. Dr. Mahaffey stepped down and Dr. Nick Hein will take her place. Truly a month of thanksgiving. Great job, GSDS. Please see the MDA website for a recap of the 2011 resolutions.

The Foundation Holiday Party on December 9th went off without a hitch. Thank you so much to our featured sponsor, Arvest Bank. Arvest Bank came forward with $1,000 for the party and may sponsor an event in 2012. Many thanks to Arvest Bank and their contribution to organized dentistry in Greater Springfield. Music was provided by The Next Exit featuring Tony Counts, Patterson Dental Supply’s Springfield Branch Manager. They played great tunes the whole night. The decorations were perfect, thank you Jean Harmison and Dr. Cheryl Haley. We had a wine pull and a 50/50 cash raffle along with several door prizes. Thank you all who purchased wine and thank you to Dr. Marc Barnett for donating his raffle winnings back to the Foundation (thank you Kelly). All in all, the Foundation raised $2300. The ambience was warm and full of cheer. What a great night.

We owe special thanks to Drs. Alan Rosen and Pat Bauer for co-chairing the Smiles from the Heart Auction for the Greater Springfield Dental Foundation, February 22, 2013. Dr. Rosen came to the Foundation Holiday Party with great news: we now have a featured sponsor. Bob Edmonds of Edmonds Dental Prosthetics, LLC, has agreed to provide $25,000 to the 2013 event. Please thank Mr. Edmonds for his contribution. Thank you Mr. Edmonds.

At the December board meeting, new considerations on the handling of Children’s Dental Health Month and Give Kids a Smile Day were proposed by the Springfield Public School System and the Dental Society. This new system would be more convenient for dentists wanting to volunteer their time and talents. Due to years of efforts of dentists treating kids, the need has decreased for a Friday and/or Saturday GKAS Day. Please see the memo explaining the changes and contact Dr. Bryan Darling, GKAS Day chairman, with your input.

2012 brings good opportunities to support the Greater Springfield Dental Foundation and earn required CEUs. In January, we started off 2012 with an informative meeting on the different stages of a successful practice. Thank you to UMB Bank and The Whitlock Group for underwriting the meeting and giving us a perspective where we could or would like to be in the different stages of your practice. Several of our events this year are being underwritten by local businesses. Please attend the events as your schedule permits; your continuing education chairman, Dr. Leo Tokarczyk, has done an excellent job.

For Legislative Day, a van will be leaving my office at 6:00 a.m. on February 22nd headed for Jefferson City and shall return by 5:00. Come and help your organization be heard.”

A. Joshua Montgomery, D.D.S.
President, Greater Springfield Dental Society
Edmonds “In-House” Milled Zirconia Crowns & Bridges

E-Zr™ Total Fully Milled Zirconia
$99 per unit
- Indicated for POSTERIOR crowns and bridges.
- Excellent bruxism or full cast crown option.
- No special preparation required (ideal 1.5mm occlusal clearance, feather edge acceptable margin where chamfer margin not available).
- Cementable with a LIFETIME WARRANTY!

E-Zr™ Layered Zirconia Substructure with Porcelain Layering
$129 per unit
- Indicated throughout the mouth for both anterior and posterior.
- Optimal esthetics & vitality.
- Ideal preparation: 1.5mm occlusal clearance - chamfer margin.
- Cementable with a 5 year warranty!

E-Zr™ Capella six Porcelain Layering Technique
$162 per unit
Upgrade your porcelain layered restorations to our Capella six Porcelain Layering technique...This proprietary, multi powder build up, provides the most esthetic and lifelike restorations available!

E-Zr™ Combination Cases
Esthetics that only layered porcelain can achieve in the esthetic zone, with the strength and wear characteristics that only total zirconia provides in the posterior... all in one bridge!

“An optimist stays up until midnight to see the new year in. A pessimist stays up to make sure the old year leaves.” ~ Bill Vaughn

As we close the door on another year, it is time to reflect on the highlights of 2011. As you know, on September 23 & 24, 2011, the Missouri Mission of Mercy provided free dental care to approximately 2,000 people. There were 178 dentists, 83 hygienists, 170 assistants, 3 physicians, 25 nurses and 587 general volunteers. Approximately $1 million was donated in free care. A big thank you to Drs. Sarah & Darren Mahaffey for their wonderful leadership! Each year the Southern Missouri Region of the American Red Cross and KY3 honor 9 local heroes at their Everyday Heroes luncheon to be held on March 28, 2012 at noon at University Plaza. Drs. Darren & Sarah Mahaffey have been selected from a group of 141 nominees to be honored at this luncheon. Tickets ($30) may be purchased by calling 832-9500.

The Greater Springfield Dental Foundation’s Holiday Party on December 9th was a great success with over $2,000 raised for the Greater Springfield Dental Foundation. Tony Count’s band The Next Exit had everyone on the dance floor by the end of the night. I would like to thank Arvest Bank for their $1,000 sponsorship. The HUGE announcement of the evening was the introduction of the co-chairs & presenting sponsor for the next Greater Springfield Dental Foundation’s Smiles from the Heart Auction. Dr. Alan Rosen and Dr. Patrick Bauer will be heading up this main fundraiser to help fund our annual donation to the Ronald McDonald Tooth Truck. Mark your calendars for February 22, 2013. I would like to express a heartfelt thank you to Bob Edmonds, Edmonds Dental, who will be our presenting sponsor with a donation of $25,000.

During the 2011 MDA House of Delegates, Dr. James Stewart was recognized as the Dentist of the Year and your Greater Springfield Dental Society was recognized as the only component in the state to achieve 100% renewals. Drs. Sarah and Darren Mahaffey were recognized for their efforts for leading the MOMOM event. Congratulations to all the award winners!

I would be remiss not to mention the dental therapist discussions during the early part of 2011. One of the lessons learned in early 2011 with the dental therapist issue was to involve our membership in the early stages of any major changes suggested by the board of directors. As we begin to plan for 2012, I would like to take this opportunity to share with you some discussions we have had with the Springfield Public Schools Health Department regarding Give Kids a Smile Day and the Health Fairs. We shared your comments and concerns regarding the challenges we have had in the past. Please take a few minutes to review these changes and we hope you consider participating in one or both of these programs (registration forms are included in this newsletter).

**Springfield Public Schools Health Fairs**

During the past few years, it has been a challenge finding dentists to volunteer for the weekday (Monday through Thursday) dental health screenings. Many dentists take Fridays off and those Friday dates fill up quickly. The dental screenings are required to have a licensed dentist or hygienist perform these functions. It was suggested that if the Greater Springfield Dental Society could get 37 dentists and staff to volunteer for this program, we could blanket the schools on just one Friday. All of the dental screenings would be accomplished in one day. Jean Grabeel set a date of September 28, 2012, for dental health screenings for all 37 elementary schools in the SPS. For larger schools, dentists are encouraged to bring their hygienist(s).

**Give A Kid a Smile**

One of the main challenges of this program has been the “no show” rate and the difficulty parents have with work schedules. The Springfield Public Schools would like to move to a voucher system and call this event “Give a Kid a Smile” instead of “Give Kids a Smile Day.” Dentists would sign up to participate, and instead of having the students come to the office on one set day, the students would be given a one-time voucher through SPS. Parents will now have the flexibility to help keep appointments.

The dentist would decide how many vouchers he/she will accept. The vouchers have been designed by the SPS with name, school, age, voucher number, referral instructions, etc. The voucher will include reporting instructions once treatment is finished. Because the screenings will be done at the elementary schools, the school nurse will contact the families of children in need of dental care to see if there are older children (middle and high school) who would also need a voucher. This program will be implemented after the health screenings with a finish date of April 6, 2012. This date will coincide with the official reporting date for Give Kids a Smile Day.

We have some very exciting continuing education programs coming up in 2012. A complete list of upcoming programs is provided in this newsletter and on the GSDS calendar of events located at www.grsds.org.

It is a pleasure serving the Greater Springfield Dental Society!

Jean Harmison, Executive Director
THE BOTTOM LINE
ISN’T OUR BOTTOM LINE WHEN IT COMES TO YOU.

At Trust Company of the Ozarks, we know you are more than the sum of your investments, that’s why our view extends beyond your bottom line. Starting with advice that is both expert and personal, our goal is to help you reach your goals; because your portfolio is only as powerful as the dreams it can fulfill.

In December 2011, Dr. Rex Witherspoon retired from clinical practice after an illustrious sixty year career in dentistry. Dr. Witherspoon began his oral surgery career in 1952 after serving as a dental officer in the Navy and even a brief period of practicing general dentistry in Springfield, Missouri.

Over the years, he has seen his solo practice, in the old Professional Building grow and evolve into OMS, a six-doctor oral and maxillofacial surgery practice. Dr. Witherspoon is well known for his good cheer, boundless energy and dedication to quality service.

Through his long and productive career, he has treated thousands of patients from all walks of life, but some of special renown included King Paul and Queen Frederica of Greece, First Lady of Argentina Eva “Evita” Peron and baseball legend Mickey Mantle.

He served organized dentistry extensively on both a local and state level with roles too numerous to delineate in this brief column. In addition, he’s left a lasting legacy of improved dental care for a number of special groups through his founding of the hospital dental departments at both St. John’s and Cox, the hospital dental oncology programs and the dental team of the cleft palate clinic.

Dr. Witherspoon has also performed extensive charitable work, including multiple mission trips to Nicaragua with Project Hope. Over the years, Dr. Witherspoon has seen and adapted to many changes in dentistry, but one thing he never changed was his formula for success.

He instilled in the culture of OMS an ethical code and philosophy of treatment, guided by The Golden Rule. He has been a mentor to the doctors and staff of OMS, as well as a multitude of other dental professionals in the community. Dr. Witherspoon will continue working with OMS in a consultant capacity, helping to develop and implement a plan to carry OMS forward for the next 60 years.

OMS will be celebrating Dr. Witherspoon’s years of outstanding service with a reception on April 20, 2012, from 5:30 p.m. to 7:30 p.m. at the Tower Club.
Welcome To A New Level Of Luxury.

Created for discriminating buyers who are searching for seclusion with all the amenities, the Estates at Summit Ridge is the exclusive development comprising 24 timbered home sites offering sweeping views and securely protected privacy.

January/February 2012
Dr. Farhad Moshiri retired as a clinical professor in orthodontics from the part-time faculty at the University of Louisville, School of Dentistry, after teaching for the past 28 years. He continues to practice as a full time clinician in St. Louis and Springfield, Missouri, with his son Dr. Maz Moshiri.

Dr. Farhad Moshiri was in charge of craniofacial growth and development, surgical orthodontics and management of patients with temporomandibular joint dysfunction. In addition, he led the discussion on many related orthodontic topics presented by the graduate residents in the Advanced Orthodontic Seminar. Dr. Moshiri is a former chairman of the Department of Orthodontics at Washington University in St. Louis, as well as a past president of the Greater St. Louis Dental Society. He will continue to share his wealth of knowledge with the orthodontic residents around the country, as well as at local and national meetings.

Dr. Moshiri has lectured internationally for the past 25 years. He has received the Award of Merit from the Greater St. Louis Dental Society as well as the President’s Distinguished Faculty Award from the University of Louisville. Recently, he was honored as a Kentucky Colonel, the highest honor given by the Commonwealth of Kentucky, for distinguished service and accomplishments on behalf of others. He is a published professional author, Diplomate, American Board of Orthodontics and a Fellow of the American and International Colleges of Dentists.

University of Louisville alumni and faculty members attended a two-day event in his honor in October 2011. Attendees traveled from the four corners of the United States to see their extraordinary teacher. Alumni commented on his transition into more private practice hours as he proved that he is at the peak of his career, evidenced by his delivery of a stunning presentation that featured exceptional treatments of many patients from his private practice. Dr. Moshiri was deservedly showered with accolades from alumni, faculty, and the Dean.

Respectfully submitted by:
Daniel S. German, DDS
University of Louisville Orthodontic Alumni President
Assistant Clinical Professor, Orthodontic Department at The Ohio State University
Private practice in Dayton, Ohio

Virginia Lemmon practiced in the dental community for 53 years until her retirement in December 2011. Virginia began her career in 1959 working for Dr. Rolland Kimball and Dr. Lynn Temple. In 1984, Dr. Jeffrey Heard began practicing with Dr. Kimball until Dr. Kimball’s retirement, at which time Dr. Jeffrey Heard took over the dental practice.

Virginia continued her loyal service to the practice for many more years. Ultimately, Virginia also served the dental practices of Dr. John Heard, Dr. Charlie Vogel and Dr. Nathan Bauer. Her exceptional loyalty and dedication to her job was impressive. As each patient entered the doors, they were greeted with her warm smile, caring heart and the personal attention only Virginia could provide. The good Lord made only one Virginia and her service will be greatly missed by the doctors, her co-workers and many patients. We wish her a happy and healthy retirement!
The Ronald McDonald Care Mobile of the Ozarks is seeking local dentists to serve on the Tooth Truck on a temporary basis during the months of April and May, 2012. Daily compensation up to $500 is available and there are many opportunities to provide a day or more of service. The Tooth Truck operates Monday thru Friday.

The Tooth Truck serves children primarily within 16 public schools in the city of Springfield. The majority of these elementary and middle school students are considered at risk. The Tooth Truck has been in operation for over ten years, providing more than $7 million in dental treatment for over 12,000 children.

To discuss specifics about the position, contact Program Director Mindy Muñoz by calling 417.875.3504 or 417.894.4652, or at mindy.munoz@toothtruck.org. For more information about Ronald McDonald House Charities of the Ozarks and the Tooth Truck programs, visit www.ronaldmcdonaldhouse.org
Everyday Heroes Luncheon
March 28, 2012—12:00 to 1:00 at the University Plaza Hotel—Oklahoma Room

Congratulations Drs. Darren & Sarah Mahaffey!

A van will leave Dr. Josh Montgomery’s office (1722 S. Glenstone Ave Ste V) at 6:00 a.m. and return at 5:00 p.m.

There is still plenty of room if you would like to attend.

The Southern Missouri Region of the American Red Cross and KY3 will honor nine local people at the Everyday Heroes lunch and awards ceremony on March 28, 2012 at the University Plaza Hotel.

Drs. Darren & Sarah Mahaffey were selected as one of the nine recipients from 141 nominations.

The heroes chosen this year best represent the mission of the Red Cross—either by saving a life or going above and beyond “normal daily life,” according to the news release.

Reservations may be requested by contacting Kittie McCarter at the American Red Cross at 417-832-9500, ext. 109.

One vision. **Half a million smiles.**

Beginning **February 3, 2012**, thousands of dentists across the country will take time from their practices to help underserved children get the oral health care they need.

Give Kids A Smile® is an annual volunteer program that provides free educational, preventive and restorative services to children from low-income families.

Last year, we worked together to provide care to nearly 400,000 kids. Let’s make it half a million this year.

For more information and to volunteer, visit **givekidsasmile.ada.org**.
**GIVE a KID a SMILE**

Location
Howard Johnson Inn | 3333 S. Glenstone | Springfield, MO | 417.883.6550

Cost (includes materials and light refreshments)
ADA Dentist & Staff $50 pp | Non-ADA Dentist & Staff $100 pp

Online Registration available at www.grsds.org/Calendar of Events.

The OSHA Bloodborne Pathogen Standard requires that employers who have employees with occupational exposure to blood and other potential infectious material provide training for those employees annually.

The training must take place within 12 months of previous training on the standard. This program will fulfill as much of the annual training requirement as possible.

The standard contains fifteen elements that must be addressed in the training and the program will cover fourteen of them. The major exception is that the standard does not require an annual review of the employer’s exposure control plan. This portion of the requirement will need to occur in the participants’ individual office setting. However, a discussion of the elements required in all plans will be included.
Annual Training for the OSHA Bloodborne Pathogen Standard

By George Bailey, DDS MPH

Please note new date: Friday, March 30, 2012
8:00 a.m. to 10:00 p.m. (one session only)
Howard Johnson Inn (3333 S. Glenstone Ave.)

Cost includes materials and light refreshments

ADA Dentist & Staff $50 pp | Non ADA-Dentist & Staff $100 pp (late fee applies)

On behalf of the Greater Springfield Dental Society, all members are invited to the 2012-2013 Installation Banquet to be held at Springfield Brewing Company, Springfield, MO. The evening will begin at 6:00 p.m. with a social gathering.

The program will feature special recognition for Dr. A. Joshua Montgomery, his officers and Board of Directors, as well as the installation of our new President, Dr. Darren Mahaffey, officers and Board of Directors for 2012-2013.

This is one of the few social events for the organization, so please join us for an evening of camaraderie and culinary enjoyment. All board members and newly elected board members should attend.

Dr. Becker received a BS in Zoology at Ohio University in 1968 and his DDS from Ohio State University in 1972. He is currently Associate Director of Education for the General Practice Dental Residency at Miami Valley Hospital in Dayton. In addition to his academic responsibilities, Dr. Becker provides IV sedation services for dental practices throughout the Dayton-Cincinnati area.

Dr. Becker has published numerous articles in scientific journals, authored chapters in several textbooks and is Co-editor of Management of Pain & Anxiety in the Dental Office. W.B. Saunders / Elsevier Science Pub, St. Louis, 2002. He lectures extensively for organizations, colleges and universities on topics related to pharmacology, sedation and anesthesia, medical assessment and medical emergencies. Dr. Becker is noted for his pragmatism and his ability to convert otherwise dry material into formats that are both entertaining and informative.

Morning Session
Medical Urgencies and Emergencies in Dental Practice “Prevention, Recognition and Management”

Description: This program will address fundamentals of preoperative assessment as well as a rational approach to recognition and management of medical emergencies in the dental office. After reviewing the essential pathophysiological features of each condition, a systematic algorithm approach to treatment will be presented. Equipment and medications will be thoroughly addressed, including sources for purchase.

Topics
- Preoperative Medical Evaluation
- Primary Assessment of Emergencies
- Principles of Airway Management

- Essential Emergency Drugs
- Conditions and Treatment Algorithms

Afternoon Session
Pharmacotherapeutics in Dental Practice “Managing Pain and Infection”

Description: This program will address essential principles for preventing and managing postoperative pain and infection. Emphasis is placed on the fundamental pharmacological principles that provide a scientific basis for rational drug selection and appropriate use.

Topics
- Non-opioid and opioid analgesic regimens: a stepped approach to pain management
- Antibiotics: therapeutic and prophylactic regimens

We know that “office hours” is just an expression.

Your patients come first, even though their needs don’t always fit nicely into a typical work day. This can make it difficult to attend to your own personal financial needs, or the needs of your practice. The Private Client Group of U.S. Bank has financial experts who specialize in the dental profession. From day-to-day management solutions to personal finances, they can help streamline your money management and help you improve your financial health.
